I submit for perusal the Resy letter of the 16th inst., requesting permission of this Govt. to the Controller of Military accounts, Madras Dt., his peching & enquire visit the British Military pensions paying offices in the State.

The G. I pay the charges of establishment maintained in connection with these pensions payments. But as the remuneration for services rendered is based on the no: of pensions in a station the clerks engaged for writing the registers and accounts are on the non-pensionable staff - Fairly large amounts are handled in some places - Some irregularities have, I believe occurred in regard to payment of these pensions, in the past -

It is desirable that the accounts and registers relating to these pensions are inspected & the authorities Concerned -

We may agree to the Mily accts Controller's proposal and instruct the Dy Comms to provide the necy facilities for his inspection -

It is necessary that the Dy Comm^rs of the Districts Concerned should be informed of the programme before the inspection is taken up, and we may ask that this procedure be invariably adopted -

A draft reply to the Resy and a circular letter to the Dy Comms are put up -

It is undesirable to agree to the proposed arrangement. I think we pay the pensions of British Civil Pensioners and no such inspections are made of the books and accounts kept of such pensions. The proposal is an innovation which is and the need for which is not evident especially in view of the arrangement obtaining in regard to Civil Pensions we disburse on behalf of the Govt.

A draft reply accordingly may be put up

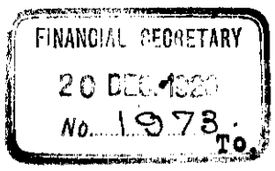
Major K.A.G. Evans-Gordon,
Secretary to the Resident in Mysore.



Chief
The Secretary to the Government of Mysore,
Bangalore.

Dated the 16th December 1926.

Subject:- Inspection of Pension Paying Offices in the Mysore State by the Controller of Military Accounts.

Sir,

I am directed to inform you that British Military pensioners residing at stations in the Mysore State are paid by the Mysore State Treasury officials who render monthly accounts to the Office of the Controller of Military Accounts, Madras District, for audit. In accordance with the procedure prescribed for payment of military pensions, the Paying Officer is required to keep a check register giving the names and addresses of the pensioners and particulars of pension sanctioned in each case. Each payment made to a pensioner is required to be noted against his name in the register under the intials of the Paying Officer. The registers are required to be kept posted correctly and up-to-date in order to avoid possible double payments. There are* ten Pension Paying Offices in the Mysore State.

2. The Military Accountant General, Delhi,

has now informed the Controller of Military Accounts that it is advisable for him to pay surprise visits to the Pension Paying Offices to ensure that the registers are kept properly. I am therefore directed to request that the Mysore Government will kindly give their sanction to the inspection of the Offices.

3. The inspection is expected to be done without previous notice to the Treasury Officer concerned, the main object being to see that the accounts are properly kept and the entries are up-to-date. There would be no objection to the Deputy Commissioner of the District being informed of the programme of the Controller of Military Accounts before actually commencing such inspection, if the Mysore Government desire this to be done.

4. The favour of an early reply is requested.

Sir,

Your obedient servant,
